The Keep Australia Beautiful ACT Sustainable Cities Awards help all ACT residents to identify, acknowledge and promote practical, local environmental initiatives that help move the ACT towards sustainability.

They are about celebrating local environmental heroes. Individuals, community groups, schools, businesses and all levels of government are encouraged to enter.

Entries can detail achievements against all or just some of the categories below. Winners will be announced for each category. The best overall entry will represent the ACT in the Australian Sustainable Cities Awards.

In 2008, entries are due by June 27 and the winners will be announced in August.

Entries should be sent to Keep Australia Beautiful ACT, c/o Yvonne Harris, 0414 434 841, yvonne@kab.org.au

Entries should include up to one A4 page of text and four photos per category. Entries should be sent as emails with the text in a word document or similar and the photos as JPG or similar. Entry is free. By entering you are allowing your case study and photographs to be used to promote the awards. Entries will be kept on file and are not able to be returned.
