

Hands up if you want to dob in a local environmental hero

The Keep Australia Beautiful ACT Sustainable Cities awards are open to community, business and government organisations active in the ACT.

They are designed to encourage, motivate and celebrate the achievements of the ACT's local environmental heroes.

All we need is up to 400 words and up to 4 images for each of the categories that are entered. You can enter your own project or dob in someone else's.

It could be the next project to represent the ACT in the Australian Sustainable Cities Awards.
