

Final Allocation of Beverage Container Recycling Grants for 2010

Congratulations to all successful applicants. Listed below are the projects across the country that will receive funds in 2010. Their stories will be featured during Keep Australia Beautiful Week in August.

Final reports, including an estimate of volume of containers recycled, will be available in February.

Thanks to the Coca-Cola Foundation for funding the grants

Details at <http://www.kab.org.au/get-involved/apply-for-a-community-grant/>

We hope that the program will continue and encourage those that were not successful in 2010 to reapply next year.
