

National Board Member Profile

Tanya Ha

Director (VIC)

Director of Sustainability Victoria since October 2005

Tanya Ha is a writer, television presenter, environmentalist and internationally recognised sustainable living advocate. She is best known as the Eco Coach in the award-winning SBS reality TV series Eco House Challenge, the author of the acclaimed eco-guide book Greeniology, and a media commentator on environmental issues. Tanya is a "people's environmentalist". She is a passionate advocate for the ways that ordinary people can help save the planet.

Tanya's work currently focuses on writing books and feature articles, environmental communication consulting and other green media projects.

Tanya spent many years working for Planet Ark, a non-political, non-confrontational, populist environment group. She also serves on the Board of the State Government Authority
