

Two Awards in Tasmanian First

In a Tasmanian first, Clarence City Council will represent Tasmania in two out of three categories at the national Keep Australia Beautiful Awards, after Richmond was announced the winner in the Tidy Town of the Year category and the City of Clarence won the Sustainable City award at the state finals. Clarence Mayor Jock Campbell congratulated the Richmond community on its dedication to preserving the town's heritage and liveability. The submission from Clarence for the Sustainable City award included arts and events programs, youth and positive ageing programs, and steps being undertaken to protect and enhance the environment, and preserve natural and cultural heritage.
