

## Council Areas able to enter the Sustainable Cities Awards

The list of Council areas able to enter Sustainable Cities is a guide provided by the State and Territory member offices of the Keep Australia Beautiful Network. It includes a number of exceptions such as Richmond TAS which has always been a Tidy Towns participant but was recently amalgamated into the City of Clarence. The list of council areas in Tasmania is adjusted to allow Richmond to continue to participate in Tidy Towns and allow other communities within the council area of Clarence to participate in Sustainable Cities. Similar exemptions exist in other states and territories and will be included in updates to these documents.

### NSW
